

FAQ - Strata Academy for EPSi Users

When does Strata Academy go live?

Strata Academy goes live around 10AM CST, Friday, June 21, 2024. There will be no down time, but you will notice changes being made throughout the day, including updates to the dashboard, the login process, and adjustments to course and certification content. You can continue to access Strata Academy and your training content during this time.

There will be a 30-minute window from 10:00-10:30AM CST when URLs will be updated. If you encounter any issues reaching Strata Academy during that time, go to stratadecision.myabsorb.com to log in, or contact strataacademy@stratadecision.com.

What is Strata Academy?

It's a single learning portal for all Strata customers. This gives you the same updated, consistent experience to enroll in training content for all your Strata platforms.

What's Changing?

- Your dashboard has been updated with a dedicated button for all EPSi content.
- You can now search for, browse, and enroll in content for all Strata platforms. On June 21, you will be able to access training for your Strata platform, and a select group of content from all Strata platforms. All training courses for all Strata platforms will be available to you by July 5, 2024.
- Continue to access courses you are enrolled in from the **My Courses** section.
