Your Strata Academy Dashboard

1. For StrataJazz and Axiom users, we recommend starting with role-based learning paths. These learning paths provide you with a collection of content designed for your job role.
2. You can browse individual courses in these catalogs. For Market Solutions and EPSi users, all of your content can be found in these catalogs.
3. For StrataJazz and Axiom users, we recommend continuing your learning by enrolling in Certification courses.
4. The **My Courses** section will show all the courses you are enrolled in. You can begin or resume a course in this section.
5. Search the entire Strata Academy course catalog.
